

## PRESENTATIONS

---

### *Selected Invited Seminars*

- |  |                                     |
|--|-------------------------------------|
| (17) <b>2022 International Symposium on Porous Organic Polymers</b>                              | <i>Boulder, CO Aug 2022</i>         |
| (16) <b>2022 KAIST CBE Young Global Leader Symposium</b>   | <i>South Korea Aug 2022</i>         |
| (15) <b>US-KOREA Conference on Science, Technology, and Entrepreneurship</b>                     | <i>Washington, DC Aug 2022</i>      |
| (14) <b>ACS 2022 Spring National Meeting, PMSE Symposium in Honor of Zhenan Bao</b>              | <i>San Diego, CA Mar 2022</i>       |
| (13) <b>Hanyang University, Department of Applied Chemistry</b>                                  | <i>Ansan, Korea Dec 2021</i>        |
| (12) <b>University of Northern Colorado, Department of Chemistry</b>                             | <i>Greeley, CO Nov 2021</i>         |
| (11) <b>Seoul National University, Department of Materials Science &amp; Engineering</b>         | <i>Seoul, Korea Aug 2021</i>        |
| (10) <b>University of North Carolina at Chapel Hill, Department of Applied Physical Sciences</b> | <i>Chapel Hill, NC Feb 2019</i>     |
| (9) <b>Yonsei University, Department of Materials Science &amp; Engineering</b>                  | <i>Seoul, Korea Jan 2019</i>        |
| (8) <b>University of Colorado at Boulder, Department of Chemistry</b>                            | <i>Boulder, CO Jan 2019</i>         |
| (7) <b>University of Washington at Seattle, Department of Chemistry</b>                          | <i>Seattle, WA Jan 2019</i>         |
| (6) <b>University of California at Davis, Department of Chemical Engineering</b>                 | <i>Davis, CA Jan 2019</i>           |
| (5) <b>Duke University, Department of Chemistry</b>  | <i>Durham, NC Dec 2018</i>          |
| (4) <b>University of Notre Dame, Department of Chemistry</b>                                     | <i>Notre Dame, IN Dec 2018</i>      |
| (3) <b>ACS 2017 Fall National Meeting, DIC Young Investigator Symposium</b>                      | <i>Washington, DC Aug 2017</i>      |
| (2) <b>Dow Chemical Graduate Research Symposium, Dow Chemical &amp; TAMU</b>                     | <i>College Station, TX May 2016</i> |
| (1) <b>Nanoporous Materials Seminar, DOE EFRC &amp; UC Berkeley</b>                              | <i>Berkeley, CA Sep 2014</i>        |
